RE: Maryland Sand, Gravel & Stone
Superfund Site

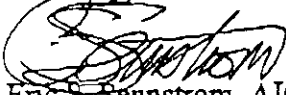

Dear Mr. Grills:

Enclosed please find a concept plat submitted for a proposed major subdivision on property (Tax map 25 Parcel 462) located on the west side of Marley Road across from the above referenced superfund site.

The project proposes 148 lots with public sewer and private water supply through the utilization of individual on site wells. This office requests your comment on whether or not there would be any adverse effect on these proposed wells from the contaminants at the Maryland Sand, Gravel & Stone Company.

Thank you for your assistance in this matter. If you have any questions, please call.

Sincerely,

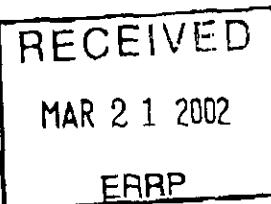

Eric S. Sennstrom, AICP

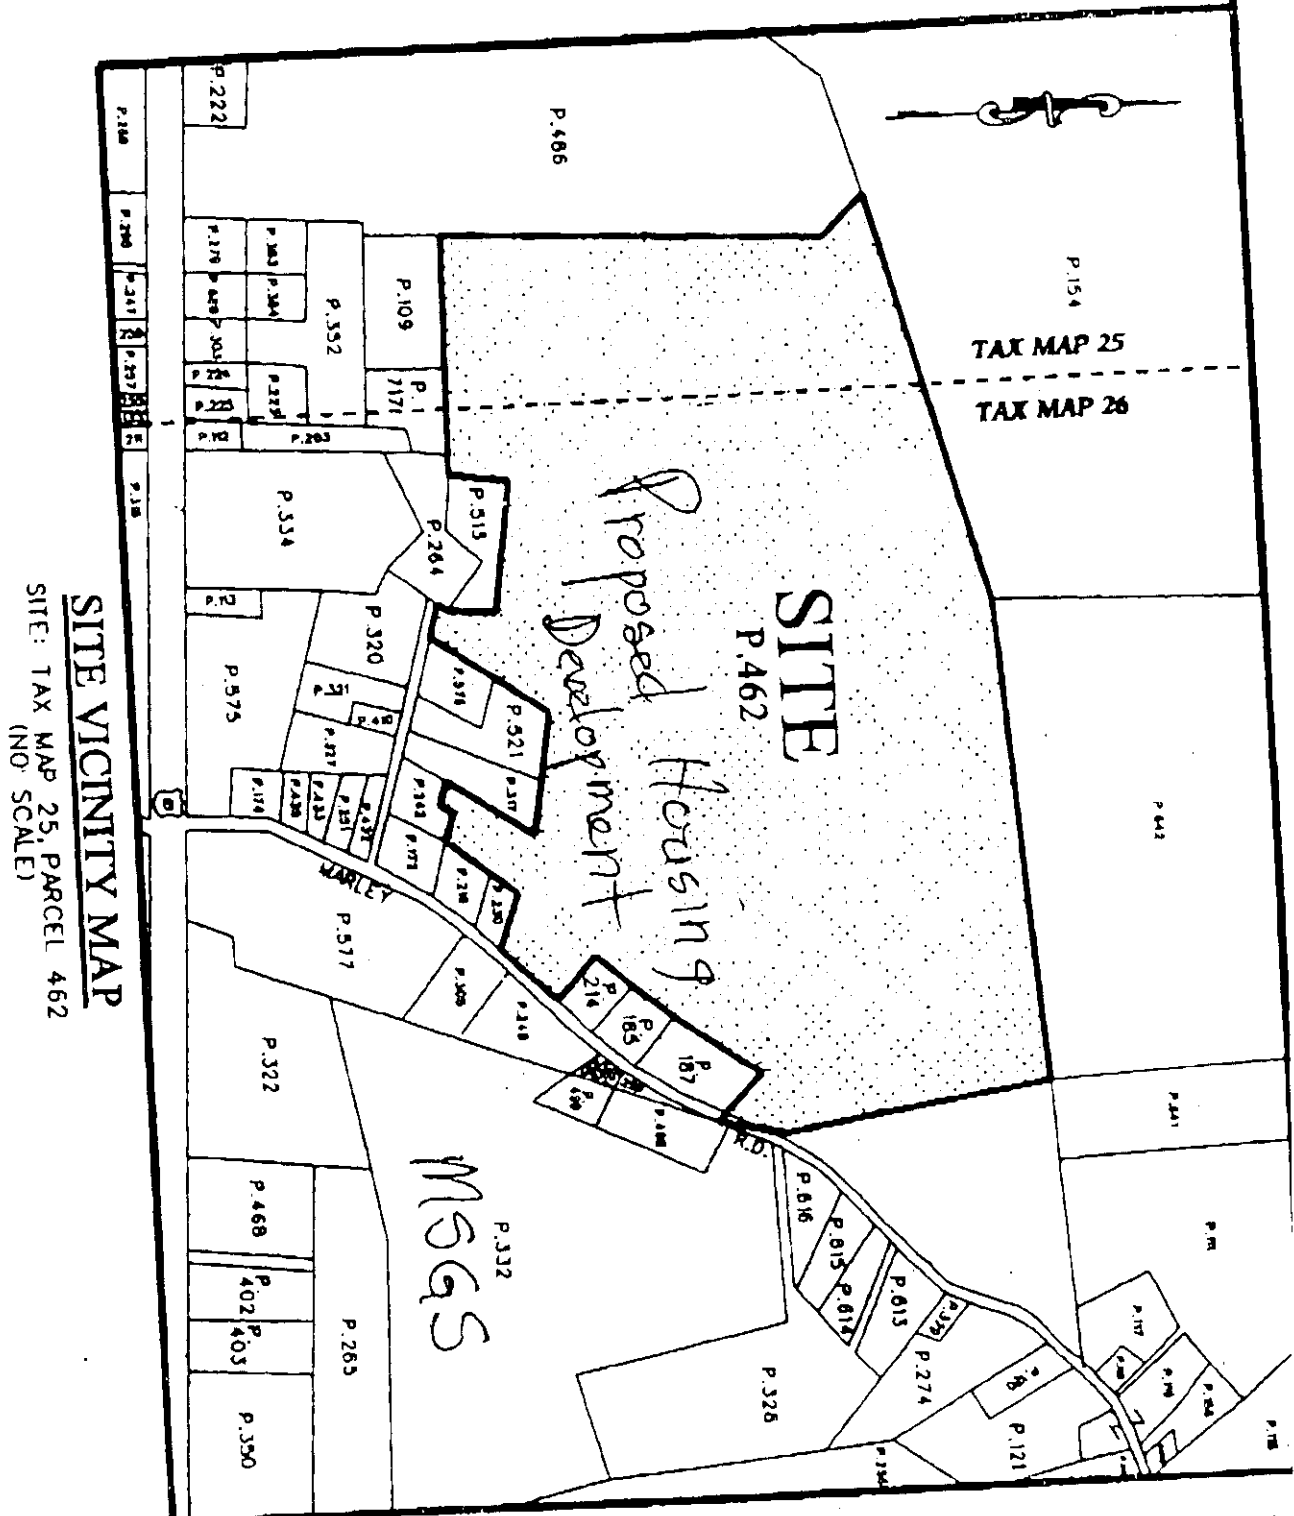

Director
Planning, Zoning, Parks & Recreation
